

## What are cookies?

Cookies are small strings of characters that can be placed on your computer or mobile device via standard browser techniques that uniquely identifies your browser or device. We may use technologies like cookies, pixels and local storage to deliver, secure, and understand products and services.

## What are cookies used for?

Cookies and other technologies allow a site or service to know if your computer or device has visited it before. These technologies can then be used to deliver products and services, help us understand how the site or service is being used, help you navigate between pages efficiently, help remember your preferences, and generally enable and improve your experience in using those services. Cookies can also help ensure marketing you see online is more relevant to you and your interests.

## How long will cookies stay on my device?

The length of time a cookie will stay on your computer or mobile device depends on whether it is a "persistent" or "session" cookie. Session cookies will only stay on your device until you stop browsing. Persistent cookies stay on your computer or mobile device until they expire or are deleted.

## First and third-party cookies

First-party cookies are cookies that belong to Circle Three Ltd, third-party cookies are cookies that another party accesses or places on your device through our Service. Third-party cookies may be placed on your device by someone providing a service for Circle Three Ltd, for example to help us understand how our service is being used.

## Why does Circle Three Ltd use cookies and similar technologies?

We use cookies to make Circle Three Ltd website easier to use, to deliver a personalized experience on our websites, and to better tailor our products, services and websites to your interests and needs. Cookies are used to help speed up your future activities and your experience on Circle Three Ltd website.

## How to control cookies or other collection mechanisms

Follow the instructions provided by your browser or mobile device (usually located within the "Help", "Tools" or "Edit" facility) to modify your cookie settings. Please be advised that if you set your browser to disable cookies or other technologies, you may not be able to access certain parts of our Service and other parts of our Service will not work properly. In addition, you have other choices with respect to how cookies are used:

To prevent your data from being used by Google Analytics, you can install Google's opt-out browser add-on.

Check your mobile device for settings that control ads based on your interactions with the applications on your device. For example, on your iOS device, enable the "Limit Ad Tracking" setting, and on your Android device, enable the "Opt out of Ads Personalization" setting.

## The cookies we use generally fall into one of the following categories

<b>Category of Cookies</b>	<b>Why we use these cookies</b>
Performance	We use these cookies to collect information about how you interact with our services and to help us improve them.
Analytics	We use these cookies to help us understand and improve our services.
